Ever wanted to meet the Camp Rock star Demi Lovato? Well you are all in for a treat!

Habbo has put together a fantastic competition where you can visit the Habbo offices, and meet Demi Lovato in person, but more on that later!

Demi will be entering the pixelated world of Habbo, under the username of VIP-DemiLovato. She will be visiting on the **25th of January** between 4:30 and 5PM. During these times, she can be found in the Public room **Club Mammoth**, where she will chat live with you, the Habbo Public about her career, so if you have any questions, don't forget to be in Club Mammoth to ask her them!

But I don't want to see her pixels! I want to see her in person

Calm down, we are getting to that! On Monday (25th of January) the big scary security guard will be allowing one person, and their friend into the Habbo Offices to meet Demi Lovato in
